WHAT IS INVOICE FINANCE?

It's a way to unlock the cash tied up in unpaid invoices - usually within 24 hours. We advance most of the value upfront, and you receive the rest when your customer pays (minus our fee).

HOW DOES IT WORK?

- You raise an invoice to your customer
- We advance up to 95% of its value, usually within 24 hours
- When your customer pays, we forward you the balance, minus our fee

WHAT TYPES OF FINANCE DO YOU OFFER?

- Factoring: We advance the cash and manage collections
- Invoice Discounting: We still advance you the cash, but you handle customer collections
- Confidential Invoice Discounting: Offers the same as the above, but you can choose for your customers not to know we're involved
- Debtor Protection: Optional cover for customer non-payment

WHO IS ELIGIBLE?

UK-registered or domiciled businesses that invoice other businesses on credit terms.

WHAT SECURITY IS REQUIRED?

Assignment of invoices, supported by a debenture.

HOW DO I GET STARTED?

We aim to set up facilities in as little as 5 working days. Once live, funds are available within 24 hours of invoice submission.
