

**Your world turns fast.  
So does our funding.**

# Funding built on service and support.

At Ultimate Finance, we're here to do more than offer funding solutions.

We're here to deliver service and support that helps businesses and investors unlock potential and realise ambition.

**Best of all, we keep  
business moving.**

**Rated Excellent on  Trustpilot**

 **Outstanding NPS**

Outstanding customer satisfaction

 **A people-first approach**

Built on Decency, Brilliance,  
and Enterprise

**Ultimate Finance**  
Keeping business moving

# Around every challenge. Behind every opportunity.

We understand the challenges growing businesses face.

And the opportunities that come with them.

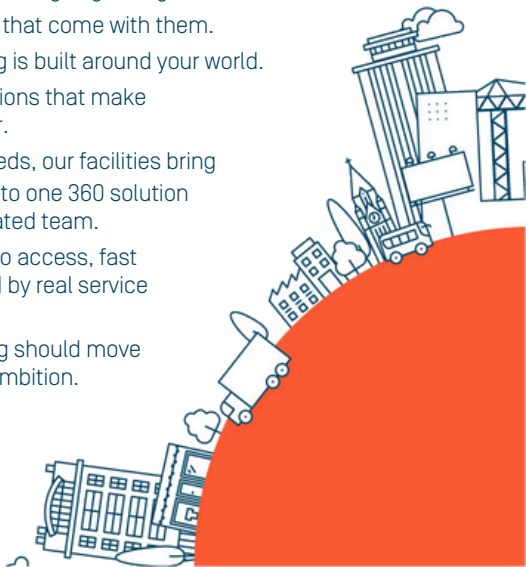

That's why our funding is built around your world.

We offer tailored solutions that make  
your cash work harder.

For more complex needs, our facilities bring  
everything together into one 360 solution  
supported by a dedicated team.

And we make it easy to access, fast  
to deliver, and backed by real service  
every step of the way.

Because great funding should move  
at the speed of your ambition.

# Funding that fits today's world. Explore our solutions.

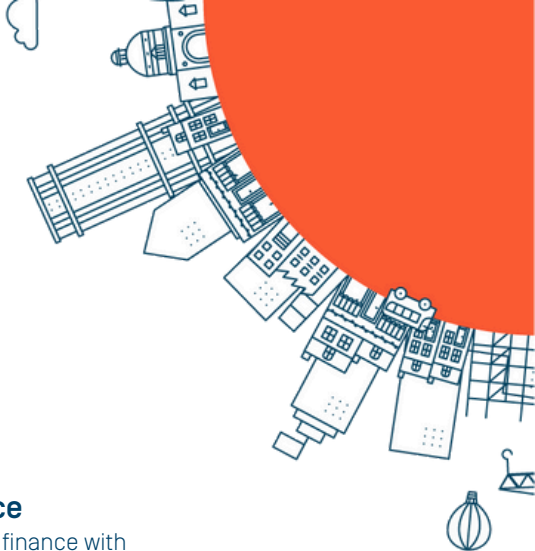

## Invoice Finance

Release up to 95% of unpaid invoices in 24 hours. No delays. Just stronger cashflow, faster.

## Construction Finance

Specialist support for construction businesses, including funding uncertified applications. We speak your language.

## **Bridging Finance**

Short-term property finance with high LTVs and quick turnaround. Perfect for time-sensitive deals.

## **Asset Finance**

Hire purchase, lease or refinance vehicles, equipment and machinery. Flexible terms, fast decisions.

## **Trade Finance**

Revolving credit with up to 120-day terms and direct supplier payments. Buy smarter. Trade bigger.

## **Structured Finance**

Multi-asset facilities tailored to complex funding needs with one point of contact.

# Let's keep business moving.
